APPLICATION TO ALTER VILLAGE PROPERTY by painting yellow curbing at driveway entrance

Parking in front of public and private driveways is prohibited under New York State law. If you have an ongoing problem with people obstructing your street visibility or blocking your driveway and you feel that yellow curbing on either side of your driveway would be helpful, you can apply for yellow curbing to remind motorists of their responsibility not to block your driveway. Please complete the information on this application and return it to the attention of the DPW Superintendent and review procedures for applying for yellow curbing at driveway entrance.
