PRESS RELEASE

DATE OF INCIDENT: September 9th 2020

NARRATIVE: Cooperstown Police Department reports that during the hours of 12:00 AM Wednesday September 9th to 3:00-4:00 AM, A string of larcenies from multiple vehicles occurred. Upon being notified and beginning an investigation, it was determined each vehicle was unlocked at the time and loose change and any cash increments were the only items taken if at all as some were just left in disarray. We ask that all Village residents continue to lock their vehicles as it will generally deter attempts to gain entry. During interviews it was also determined that only vehicles were the focal point. No homes were entered.

This remains an active investigation with assist from Otsego County Sheriffs Department as vehicles were also gone through in Fly Creek and New York State Police as Oneonta also recently had a series of larcenies.
